

RNA Horizons 2024
Therapeutics Symposium
Unlocking the RNA's Potential in Medicine

September 25-27, 2024
Alfandega Congress Centre, Porto, Portugal

Prof. Michal Lotem, MD

Head Of The Hadassah Cancer Research Institute

The founder and Head of the Hadassah Cancer Research Institute, Professor Michal Lotem is an international expert in skin cancer and clinical oncology, driving cutting-edge scientific innovation at the HCRI since its inception in 2019. Her vision for HCRI is to investigate the nature of various cancers and enable HCRI's physicians, scientists and researchers to develop new and personalized ways to manipulate the immune system to cure cancer, with the goal of eradicating cancer
